3 August 2026

Dear Parents and Families, welcome to the Third Term!

Although we are already a couple of weeks into the new term, I would like to extend a warm welcome to all our children and families. We hope and pray that this will be a wonderful and rewarding term filled with learning, laughter, growth, and many happy memories for every child in our care.

A very special welcome goes to Mari-Lee as she joins the Tiny Tots family as our new Assistant Teacher in the Baby Room. We are delighted to have her on our team and wish her many happy and successful years at Tiny Tots Educare Centre.

I would also like to share a few important dates for your diary:

Saturday, 17 October 2026 – Our third annual Sports Day will take place at Kirstenhof Primary School, starting at approximately 9:00 a.m. This has grown to be a highlight of our school calendar, and we look forward to another fun filled morning with all our families. Further details will be communicated in the coming weeks.

Saturday, 12 December 2026 – Our much loved End of Year Concert and Grade R Graduation, will once again be held at the NG Kerk, on Tokai Road, opposite Blue Route Mall. As in previous years, the concert will take place during the morning. More information will be shared closer to the time. As with the Sports Day, we are also busy arranging food trucks and coffee baristas so that families can enjoy some refreshments.

We are equally excited about the educational outings planned for this term. This week our Lions Class will be visiting Imhoff Farm, and several other exciting outings and activities are currently being organised for the remainder of the term. These experiences provide wonderful opportunities for learning beyond the classroom and are always greatly enjoyed by the children.

As a gentle reminder, Tiny Tots Educare Centre is a privately funded ECD and operates solely on school fees. We do not receive any government subsidies. We kindly ask that school fees are kept up to date, as this enables us to continue providing the high standard of care and education that your children deserve. Your understanding and cooperation in this regard are sincerely appreciated.

Before I close, I would like to take this opportunity to express my heartfelt thanks to all our parents and families for the incredible love, kindness, prayers, encouragement, and support shown to me before, during, and after my surgery on 24 April 2026. Your thoughtful messages, well wishes, and genuine concern meant far more to me and my family than words can express, and I am truly grateful to each and every one of you.

I am pleased to let you know that my recovery is progressing very well. A few weeks ago, I received the all clear from my surgeon and have now been able to return to the gym, where I am doing light strength training, continuing with my physiotherapy, and enjoying plenty of walking as part of my rehabilitation.

While I still need to take things easy and will remain in recovery until at least December, I am delighted to be back in the swing of things. I have resumed my day to day responsibilities at the school, including doing all of our school driving once again.

I would also like to extend my sincere appreciation to the wonderful ladies at Tiny Tots Educare Centre, led so well by Sandy. During my absence, they stepped up with dedication, professionalism, and genuine care to ensure that the school continued to run smoothly. Their commitment to our children and families was outstanding, and I could not be prouder of the incredible team we have at Tiny Tots.

I would like to thank each and every parent for your continued support, trust, and cooperation. Your partnership means so much to us.

We wish you and your families a blessed, happy, and successful third term. We look forward to sharing many wonderful moments with you over the coming months.

Blessings

Tony, Sandy and the team.
